Stainless Steel Storage Tank

Our Stainless Steel Storage Tanks are versatile solutions for storing a wide range of substances, from chemicals to pharmaceuticals. Built to last, these tanks are designed for efficiency and safety. Along with We ensure that all our products are thoroughly tested and offered at fair prices. For any bulk orders or bespoke needs, connect with us—we're here to provide the support you need.

Storage Tank Features:

- **Material:** Premium-grade stainless steel.
- **Capacity:** Customizable based on requirements.
- **Construction:** Includes reinforced walls and secure lids.
- **Temperature Control:** Available options for insulation and temperature regulation.
- **Safety:** Equipped with pressure gauges and safety valves.

Industries Served: Chemical Processing, Pharmaceutical, Industrial Manufacturing, etc.

Product Details:

Construction Type	Welded
Compliance	Designed according to ASME standards
Customization Options	Tailored sizes and Additional fittings available
Features	Easy to transport, Anti Corrosive, Non breakable, Perfect shape, Durable
Application	Food industry, Cosmetics, Water Treatment Plants

Mild Steel Reactor

Our Mild Steel Reactors are built for chemical reactions and processing. They are designed to handle a wide variety of reactions and maintain safe operating conditions. All of our products are tested to meet stringent standards and are offered at reasonable prices. Whether you have wholesale or custom needs, contact us - we are committed to providing exceptional support.

Reactor Features:

- **Material:** Mild steel with anti-corrosion treatment.
- **Design:** Includes agitation systems and temperature control.
- **Capacity:** Customizable to suit different reaction volumes.
- **Safety:** Equipped with pressure relief valves and temperature sensors.
- **Accessibility:** Features access ports for easy maintenance.

Industries Served: Chemical Processing, Pharmaceutical, Industrial Manufacturing and many more

Product Details:

Mounting	Floor mounted, Skid
Color	Multicolor
Connections	Flanged or Welded
Capacity	Varies with design
External Coating	Primer and epoxy paint

Biodiesel Storage Tank

Our Biodiesel Storage Tanks are built for efficient and secure storage of biodiesel. Designed to handle large volumes, these tanks are engineered to maintain the quality and integrity of biodiesel over time. At great value, we provide products that meet all tested standards. Need bulk quantities or customized solutions? Contact us, and our team will be happy to assist you.

Storage Tank Features:

- **Material:** High-strength steel or stainless steel.
- **Capacity:** Available in various sizes.
- **Insulation:** Optional insulation to maintain temperature.
- **Features:** Includes level indicators and filtration systems.
- **Durability:** Resistant to chemical reactions and environmental factors.

Industries Served: Biodiesel Storage, Renewable Energy plants, Fuel Distribution, etc.

Product Details:

Supplier	ZKM Industries
Weight	500 kg approx
Condition	New
Accessories	Manhole, level indicator, drain valve
Capacity	10,000 liters

Mild Steel Horizontal Cylindrical Storage Tank

Our Mild Steel Horizontal Cylindrical Storage Tanks are designed for bulk storage of liquids and chemicals. These tanks are economical and ideal for applications where space is limited. Apart from offering products tested for all required parameters at affordable rates, we also assist our customers in bulk and custom orders. Contact us for any specific requirements or assistance.

Storage Tank Features:

- **Material:** Mild steel with anti-corrosion coating.
- **Design:** Horizontal cylindrical shape for space efficiency.
- **Capacity:** Available in various sizes.
- **Accessories:** Includes manholes, level indicators, and vent valves.
- **Cost-Effective:** Economical solution for large storage needs.

Industries Served: Chemical Storage, Water Treatment, Industrial Applications, etc.

Product Details:

Usage	Agricultural, Industrial processes
Country of Origin	India
Warranty	Standard manufacturer warranty
Supports	Skid, Saddle support
Outlet Connections	Flanged or Threaded

Stainless Steel Oil Storage Tank

Our Stainless Steel Oil Storage Tanks offer superior durability and hygiene for storing various oils. With a design focused on preventing contamination, these tanks are perfect for both edible and industrial oils. Moreover, Our products undergo rigorous testing to ensure they meet all required parameters, all at a reasonable cost. Whether you need bulk orders or customized solutions, we are here to support you. Reach out to us for tailored assistance.

Oil Storage Tank Features:

- **Material:** Food-grade or industrial stainless steel.
- **Capacity:** Custom sizes to suit different needs.
- **Design:** Includes clean-out ports and easy access for maintenance.
- **Hygiene:** Smooth surface for easy cleaning and maintenance.
- **Temperature Control:** Optional heating or cooling systems.

Industries Served: Food Processing, Chemical Manufacturing, and Oil Refining

Product Details:

Wall Thickness	1 - 5mm
Manufacture By	ZKM Industries
Corrosion Resistance	Yes
Cost	Affordable
Supports	Skirt support or legs

Horizontal Air Receiver Tank

Our Horizontal Air Receiver Tank are designed to store compressed air and maintain system pressure. They are designed for optimum performance and reliability in air compression systems. Get high-quality, tested products at reasonable prices. For bulk or custom orders, connect with us - we're here to help you every step of the way.

Receiver Tank Features:

- **Material:** Durable steel with anti-corrosion coating.
- **Design:** Horizontal orientation for stability and ease of installation.
- **Capacity:** Various sizes to meet different system requirements.
- **Features:** Includes pressure relief valves and pressure gauges.
- **Maintenance:** Easy access for inspection and maintenance.

Industries Served: Industrial Air Compression, Manufacturing, HVAC Systems, etc.

Product Details:

Accessories	Safety valves, Pressure gauges
Installation	Above-ground installation
Quality	Best Quality
Thickness	1 -10mm
Testing	Pneumatic test

Stainless Steel Liquid Mixing Tank

Our Stainless Steel Liquid Mixing Tanks are designed for efficient mixing and blending of liquids. Ideal for industries requiring high hygiene standards and precise mixing. We provide Tanks with tested for all required parameters at competitive costs. For bulk purchases or customized solutions, contact us - we offer comprehensive support for your needs.

Mixing Tank Features:

- **Material:** High-quality stainless steel for durability and hygiene.
- **Capacity:** Custom sizes available.
- **Mixing Mechanism:** Equipped with high-efficiency agitators and mixers.
- **Hygiene:** Smooth, easy-to-clean surfaces.
- **Temperature Control:** Optional heating or cooling jackets.

Industries Served: Food and Beverage, Pharmaceutical, Chemical Manufacturing, etc

Product Details:

Inlet/Outlet Connections	Tri-clamp, NPT
Supply By	ZKM Industries
Lid Type	Hinged
Made Form	Stainless Steel
Accessories	Level gauge, Temperature sensor

Acid Storage Tank

We are designated with a position of trustworthy suppliers involved in dealing with Acid Storage Tank and offering the best deals. We are immensely accredited for delivering the orders within the stipulated time frame as we have the latest transportation facilities.
